**18,689**

*Total Children Fed Age 0-12  
Breakfast, Lunch, Dinner & Snacks Served Under CACFP*

**\$ 9M+**

*Provider Reimbursements  
for Healthy Meals*

ACD is one of the largest CACFP sponsors in the nation. In fiscal year 2025, by monitoring more than 2,100 childcare homes and centers in Illinois and Michigan communities, ACD ensured that more than 52,000 children received nutritious meals and snacks each day. Supporting children and our providers lies at the heart of our work.

The Association for Child Development (ACD) is a non-profit organization in operation for over 50 years in Illinois and Michigan. We educate parents and caregivers about nutrition to promote the development of children and establish healthy eating habits to last a lifetime. Each day, we impact children and communities through the dedication of our providers, staff and partners.

## WHERE OUR IMPACT WAS THE GREATEST

### Top Counties ACD Providers Served

#### HOMES
